

Dear colleagues!

We are pleased to announce the International Conference “**Research without borders: Synergies between theories, methods and practices**” at Moscow State Linguistic University on **October 28-30, 2020**.

The conference aims to develop and promote the cross-disciplinary insights into various fields of research. The conference will also give an opportunity for early career researchers and students to intensively interact with experts in human sciences.

Conference highlights:

Plenary talks

Panel sessions

Round tables

Case-competition

The conference will be devoted to the following topics:

- The semiotics of politics: contacts and contrasts;
- The history of ideas is the history of people: academic discourse practices in the historiography of science;
- People in creative work, creativity in people;
- Digital measurement of humans and of what 'human' is: the present and the future;
- The professional of the 21st century: what is necessary, what is sufficient, and what is possible;
- Humans and their worlds: nature, society, technology;
- Antiquity and the Middle Ages in the realm of contemporary interdisciplinarity: language, culture, religion.

The working languages are English and Russian (with simultaneous interpretation provided on site).

Online participation is under consideration.

All the accepted abstracts will be published in the Book of Abstracts.

To apply for the conference please fill in the application form below and send it **until the deadline of 15.05.2020.**
